Invention Curriculum

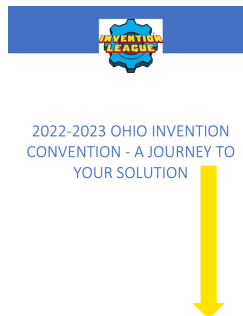

This flexible, standards-aligned, and project-based curriculum can be delivered in 6-12 weeks or over the course of the classroom. The curriculum supports students as they learn about and practice the steps of the invention process while they create their own invention.

Curriculum Overview

English (PDF) | Spanish (PDF) | Arabic (PDF) | Mandarin (PDF)

#1 Curriculum

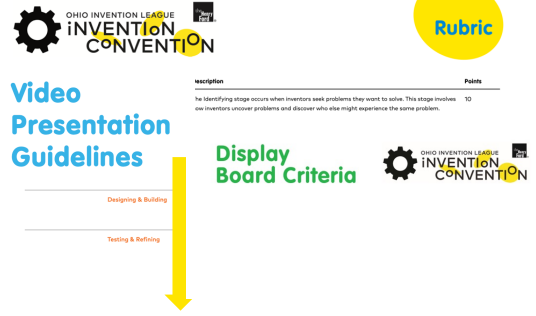

Choose your grade level & language

2022-2023 OHIO INVENTION CONVENTION - A JOURNEY TO YOUR SOLUTION
