TEACHER INNOVATOR AWARDS

Recognizing America's
Most Innovative Teachers

Do you know a teacher who has inspired others to challenge the limits of what's possible? Who encourages others to create bold solutions?

We're looking for teachers who demonstrate the habits of an innovator. Teachers who inspire their students to challenge the rules and take risks, who demonstrate how to be collaborative and empathetic, and who teach the value of staying curious and learning from failure.

Are you that teacher? Do you know that teacher? Nominate yourself or someone today for the chance to win an all-expenses-paid Innovation Immersion Experience at The Henry Ford!

Contest runs October 1, 2018-February 1, 2019.
